Re: Application of Duke Energy Progress, LLC for Approval of Proposed Electric  
Transportation Pilot and An Accounting Order to Defer Capital and Operating  
Expenses  
Docket No. 2018-322-E

Dear Ms. Boyd:

Please allow this letter to provide notice to the Public Service Commission of South Carolina (the "Commission") that, pursuant to Order No. 2020-646, Duke Energy Progress, LLC ("DEP" or the "Company") has submitted a new tariff by email to [etariff@psc.sc.gov](mailto:etariff@psc.sc.gov) for filing on the Commission's E-Tariff system. The submittal includes the DC Fast Charging Station Program rider. While the effective date of the tariff is December 22, 2020, due to the holidays, the Company intends to begin the program on January 1, 2021 to ensure an optimum experience for customers.

DEP provided the tariff to the South Carolina Office of Regulatory Staff for its review in advance of this filing.

Kind regards,

Sam Wellborn
